

Remove Patient List

1. From Organizer click on Patient Lists tab, click **List Maintenance** toolbar icon.

2. Select list to be removed.

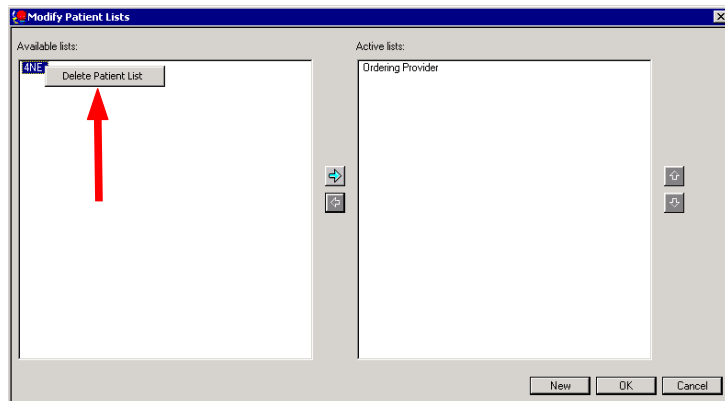

3. Click Left facing arrow to move selected list to Available Lists.

4. Right click on list to be removed.

5. Click on Delete Patient List.

6. Select **Yes** to complete action.

7. Select **OK** to return to Patient Lists with the removed tab.

8. Click **Yes** to the prompt "Continuing will permanently delete this patient list. Do you wish to continue?"
